

**Tradeshow**  
 Suppliers & manufacturers will be exhibiting their products & services pertaining to renewable energy & conservation.

**Friday April 29, 4 - 7pm & Saturday April 30, 9am - 6pm**  
**Malaspina University-College Building 356, Room 111**  
**FREE Entrance**

**Field Trip Options** Seating Limited!  
**Sunday, May 1, 2005**  
 An exciting range of field trip options - applications of energy conservation.

**Energized Homes: Nanaimo**  
 A local field trip of houses with energy-conservation and renewable energy features, including Ian Gartshore's house (solar heating, solar PV, a windmill under construction). Also included, the Foodshare Centre (a 1940's house that has been upgraded to R2000) and a modern structural insulated panel house that is better than R2000.

**Registration Code: SCTE 002 S0501**  
**8:45am - Noon; \$15 + GST (includes transportation)**

**Energized Homes: Gabriola**  
 A trip to Gabriola Island to view energy conservation and renewable energy technologies at their best.

**Registration Code: SCTE 003 S0501**  
**8:45am - 1:30pm; \$20 + GST (includes transportation)**

**Energized Communities: China Creek**  
 A trip to the China Creek micro-hydro project near Port Alberni. The Hupacasath First Nation will be powering many homes in the Alberni Valley by 2005 through a micro-hydro project on China Creek. It has been projected that the environmentally-friendly micro-hydro project will provide 5.6 megawatts of power to the Vancouver Island power grid, generating revenue for Hupacasath and project partners.

**Registration Code: SCTE 004 S0501**  
**8:45am - 3:00pm; \$25 + GST (includes transportation)**

**The Renewable Energy Speaker Series**

**Friday, April 29, 7 - 9pm**

**KEYNOTE SPEAKER:**  
**Mr. Guy Dauncey**  
**Renewable Energy: The Seven Essential Keys**

**Saturday, April 30, 8:30am - 5:30pm**

8:30 - 9:00	Coffee & Welcome, <i>Dr. David Drakeford, Dean, Science &amp; Technology</i>
9:00 - 10:00	<i>Geo-Exchange Energy, Mr. Ruben Arellano</i>
10:00 - 11:00	<i>Biomass Energy, Mr. Norm Starling, Canadian Biomass Association</i>
11:00 - Noon	Micro Hydro, <i>SOLTEK</i>
Noon - 1:00	Lunch
1:00 - 2:00	<i>Conservation, Ms. Julie Johnston, GreenHeart Education</i>
2:00 - 3:00	<i>Wind Energy, Remy Quinter, SeaBreeze</i>
3:00 - 4:00	<i>Solar Energy, Mr. Eric Smiley, BCIT &amp; Canadian Solar Industries Assn.</i>
4:00 - 5:30	Home Energy Saving Forum <i>Various Presenters</i>

**Registration Code: SCTE 001 S0501**  
**\$40 + GST (Includes light lunch & refreshments on Saturday.)**
